

under the same legal provisions as are applicable to General Construction Loan Funds for like purposes, \$32,655,000 of the General Fund Appropriation is contingent upon enactment and implementation of legislation increasing the State tax on tobacco. The General Fund Appropriation shall be reduced by the difference between \$32,655,000 and the estimate as certified to the Governor by the Board of Revenue Estimates of the increase in revenues arising from an increase in the State tax on tobacco. Projects to be eliminated as a result of any reduction to the appropriation shall be at the discretion of the Board of Public Works.

General Fund Appropriation.....	33,080,000	
	<u>425,000</u>	
Federal Fund Appropriation.....	60,000	33,140,000
		<u>485,000</u>
		-----

The appropriation for the following projects contingent upon the enactment and implementation of legislation increasing the State tax on tobacco:

**Board of Public Works - General:**

Provide contingency funds in the event that bids for capital projects exceed the estimates for approved projects. In no instance shall any one project receive in excess of 7 percent of the total construction cost of the project. Before any appropriations are made from this contingency fund, every attempt must be made to effect project scope reductions as a means of accommodating the project within the original appropriation. 1,000,000

**Department of Natural Resources:**

Maryland Environmental Service:  
 Construct wastewater treatment plant at Montrose School (Baltimore County) 1,615,000
