

Article 15A, Sec. 20(c); \$22,900,000 of the authorized General Fund appropriation may be transferred to the respective departments, agencies, boards and commissions for funding salary adjustments as recommended by the Secretary of Personnel in the Annual Salary Review; \$1,500,000 of the authorized General Fund appropriation may be transferred to the Maryland State Police and the Natural Resources Police for special salary adjustments,--and. It--is--the--intent--of--the--General Assembly--that--the--proposed--salary plan--for--the--State--Police--be amended--to--provide--the--second longevity--step--for--13--years instead--of--21--years.--Provided that--for--fiscal--year--1986--for individuals--in--the--rank--of--First Lieutenant--and--above--the--salary increase,--not--including--the applicable--longevity--step,--shall not--exceed--8-9%. It is the intent of the General Assembly that the proposed salary plan for the State Police be amended to limit the salary increase to the Superintendent, Deputy Superintendent and Lieutenant Colonels to the 4% general salary increase only. Be it further provided that no funds in the Annual Salary Review or the operating budget of the State Police shall be used to pay any more than one Deputy Superintendent above the pay grade of Lieutenant Colonel. It is the intent of the General Assembly that the proposed salary plan for the State Police be amended to provide the second longevity step for 13 years instead of 21 years. It is the intent of the General Assembly that the salary increases contained in the Annual Salary Review for the positions listed below be denied or reduced, and that the salaries for fiscal year 1986, not including the statewide salary increase, shall be as follows:
