

funding plan which could include, but not be limited to, bond financing, utilization of existing special fund reserve funds, and the sale of State property. The Department shall report its intended financing plan to the Legislative Policy Committee and the Budget Committees prior to initiation of the project for legislative review and comment.

Further provided that expenditure of the funds contained herein for Seagirt Marine Terminal shall be contingent upon the Department submitting a report concerning the project federal funding agreement and the project transfer agreement between the Department and the authority. This report shall be submitted to the Budget Committees for review by November 1, 1985.

29.04.00.03 Hart-Miller Operations

Special Fund Appropriation.....

1,499,075

The Department of Transportation shall ensure that the Hart-Miller Island operating contract is awarded as a result of the Competitive bidding process authorized by the General Assembly when the contract is renegotiated in fiscal year 1986.
