

The former reference to defining improvement by making any changes to a project "that the authority considers to be necessary" is deleted, to remove any substantive provision from this definition that is provided for elsewhere in this subtitle. As to the powers of an authority to improve a project, see §§ 9-905(3) and 9-917(1) of this subtitle.

The former references to "erection" and "extension" are deleted as unnecessary in light of the words "construction" and "repair".

The only other changes are in style.

(I) LAW.

"LAW" INCLUDES ANY ENACTMENT, ORDER, RESOLUTION, OR ORDINANCE OF A POLITICAL SUBDIVISION.

REVISOR'S NOTE: This subsection is new language added to avoid repetition of phrases such as "law, enactment, order, resolution, or ordinance".

(J) POLITICAL SUBDIVISION.

"POLITICAL SUBDIVISION" MEANS ANY COUNTY, MUNICIPAL CORPORATION UNDER ARTICLE 11E OF THE MARYLAND CONSTITUTION, SANITARY DISTRICT, OR OTHER POLITICAL SUBDIVISION OF THIS STATE.

REVISOR'S NOTE: This subsection is new language derived without substantive change from former HE § 9-901(i).

The defined term "political subdivision" is substituted for the former definition of "municipality", to conform to similar defined terms that are used in other revised articles of the Code.

The reference to "municipal corporation under Article 11E of the Maryland Constitution" is substituted for the former terms "city", "town", and "village", for conciseness and to conform to similar references in other revised articles of the Code.

(K) PROJECT.

"PROJECT" MEANS ALL OR PART OF ANY WATER SYSTEM OR SEWERAGE SYSTEM, OR ANY COMBINATION OF ALL OR PARTS OF WATER SYSTEMS OR SEWERAGE SYSTEMS, THAT IS OWNED, CONSTRUCTED, OR OPERATED BY AN AUTHORITY UNDER THIS SUBTITLE.

REVISOR'S NOTE: This subsection formerly appeared as HE § 9-901(j).

In this subsection, "sewerage system" is substituted for the former references to "sewage system", for
