(2) IF A POLITICAL SUBDIVISION OR PERSON DOES NOT STOP SUPPLYING OR SELLING WATER FOR USE ON A PARCEL OF LAND AS REQUIRED BY PARAGRAPH (1) OF THIS SUBSECTION, THE AUTHORITY MAY SHUT OFF THE SUPPLY OF WATER TO THE PARCEL OF LAND.

REVISOR'S NOTE: This section is new language derived without substantive change from former HE § 9-914(a).

In subsections (c) and (d) of this section, the former references to a project that is "acquired, constructed, or operated by the authority under this subtitle" are deleted as unnecessary in light of the definition of "project" in § 9-901 of this subtitle.

In subsections (d), (e), and (f) of this section, the references to "parcel of land" are substituted for the former references to "premises" to conform to the provisions of subsection (c) of this section. The intent behind these provisions is to disconnect all water and sewerage services to the entire parcel of land where a structure or other premises is located, instead of just those services that are used by some of the premises on the parcel of land. No substantive change is intended by this substitution.

In subsection (d)(1) of this section, "sewerage system" is substituted for the former reference to "sewer system", for clarity.

In subsection (d)(2) of this section, "recover" is substituted for the former reference to "proceed to recover", for clarity.

In subsection (e) of this section, "owned" is substituted for the former word "acquired" to conform to similar references throughout this subtitle.

In subsection (f) of this section, the former references to "private corporation", "board", and "body" are deleted as unnecessary in light of the definition of "person" in § 1-101 of this article.
