

which, among other things, obligates the person to establish, construct, or install the best management practice in accordance with technical specifications, to maintain the best management practice for its expected life span, and to provide the required matching funds for the project;

(ii) The Board of Public Works has given approval to the project when the proceeds of State bonds are to be used to finance the State share; and

(iii) The soil conservation district has certified to the Department that the project meets all applicable technical standards, and that all submitted invoices properly represent eligible costs.

(3) Before the Department of Agriculture executes a cost sharing agreement with a farm tenant, it shall obtain the consent of the landlord to the terms and conditions of the agreement. The Department may also require the granting to the State of an appropriate security interest in any equipment, structures or similar items purchased with State moneys.

(4) A cost sharing agreement executed as required under this subtitle may be assigned and transferred to a successor in title of all or part of a tract of land subject to a best management practice.

(5) State general funds may not be used as cost sharing funds under this subtitle.

SECTION 2. AND BE IT FURTHER ENACTED, That this Act shall take effect July 1, 1985.

Approved May 21, 1985.
