

FOR the purpose of exempting Allegany County from certain provisions of law that allow or require a county to tax real or personal property to fund certain projects in the areas served by a sanitary commission, requiring the governing body of Allegany County to levy a certain property tax only on real property that receives or is expected to receive services from certain projects of a sanitary commission in Allegany County, making technical and stylistic changes, and generally relating to the levying of property taxes in Allegany County to fund certain projects in the areas served by a sanitary commission in Allegany County.

FOR the purpose of providing that the Allegany County Sanitary Commission may change service area boundaries within its jurisdiction under certain circumstances, subject to the approval of the County Commissioners of Allegany County, if the change in the service area does not cause the principal balance of bonds issued for the service area to exceed a certain percent of the total value of property.
