In subsection (c)(5) of this section, the phrase "for the 1st year of the 3-year cycle" is substituted for the former phrase "in the next taxable year", for clarity.

Also in subsection (c)(5) of this section, the former phrase "for purposes of taxation" is deleted as superfluous.

In subsection (c)(6) of this section, the references to the assessment for the "remaining 2 years of the cycle" and "for these years" are substituted for the former references to "the 2 years following the next taxable year", for clarity.

Also in subsection (c)(6) of this section, the reference to the "growth factor" that is "applicable to the 1st year of the 3-year cycle" is substituted for the former reference to the "current", growth factor, for clarity.

Also in subsection (c)(6) of this section, the word "projected", which formerly modified "assessment", is deleted as superfluous.

In subsection (c)(8) of this title, the reference that "valuation records are available as provided by § 14-201 of this article" is substituted for the former reference that "a copy of the worksheet or card may be obtained from the Department", for clarity.

In subsection (d) of this section, the reference to the notice "served as provided by § 8-402 of this subtitle" is added for clarity.

Also in subsection (d) of this section, the phrase "or any other applicable date of finality" is added to clarify when the notice may be served.

Also in subsection (d) of this section, the phrase "of the year following the year of the physical inspection", which formerly modified "January 1", is deleted as superfluous.

In subsection (e) of this section, the reference to a notice "of any change in value or classification" is substituted for the former reference to a notice "of assessment", for clarity.

Also in subsection (e) of this section, the reference to the "date provided in subsection (d) of this section" is substituted for the former reference to the "date of finality" to clarify that there is more than 1 applicable date.
