

the first and third sentences and designate those sentences as subsections.

In subsection (a) of this section, the requirement to pay money "into the General Fund" is substituted for the former requirement that the money be paid "over to the State Treasurer, and ... become general funds", to conform to references elsewhere in the Code and to reflect that, in practice, State units directly deposit moneys with the depositaries that the Treasurer designates.

The introductory phrase of subsection (b) of this section, "[w]hile in office," is substituted for the former language "upon entering the performance of his duties," to clarify that the secretary must have coverage throughout the time in office.

In subsection (b) of this section, the language "in the form and amount required by law" is substituted for the former, incomplete reference to Art. 78A, §§ 46 through 50 of the Code. See also Art. 19, § 20 of the Code.

The former second sentence of subsection (a) of this section, which required the money to be disbursed as provided in Md. Constitution, Art. III, §§ 32 and 52 and Art. 15A of the Code, is deleted as unnecessary in light of the usual budgetary process and, in light of the revision of parts of Art. 15A in the State Finance and Procurement Article, as partially obsolete.

REVISOR'S NOTE: Chapter _____, Acts of 1985, amended subsection (d) of this section to amend the first sentence and to delete the former third sentence, which required moneys collected under this subtitle to be disbursed as provided in Md. Constitution, Art. III, §§ 32 and 52 and §§ 1 through 15 of Art. 15A of the Code. The former sentence was unnecessary in light of the usual budgetary process and as the referenced sections of Art. 15A were all repealed with the enactment of the State Finance and Procurement Article.
