

451.

The money received under the provisions of § 450 shall be paid [over to the Treasurer and shall become general funds] INTO THE GENERAL FUND of the State. [Such moneys shall thereafter be disbursed by the Comptroller only pursuant to an appropriation made in accordance with §§ 32 and 52 of Article III of the Constitution or pursuant to the provisions of §§ 1 through 15, inclusive, of Article 15A of this Code, title "Budget and Procurement," as amended from time to time.]

REVISOR'S NOTE: Chapter \_\_\_\_\_, Acts of 1985, amended the first sentence and deleted the second sentence of this section.

The requirement to pay money "into the General Fund" is substituted for the former requirement that the money be paid "over to the Treasurer and ... become general funds", to conform to references elsewhere in the Code and to reflect that, in practice, State units directly deposit moneys with the depositaries that the Treasurer designates.

The former second sentence, which required the money to be disbursed as provided in Md. Constitution, Art. III, §§ 32 and 52 and Art. 15A of the Code, is deleted as unnecessary in light of the usual budgetary process and, in light of the revision of parts of Art. 15A in the State Finance and Procurement Article, as partially obsolete.
