

REVISOR'S NOTE: Chapter ____, Acts of 1985, amended the first sentence and deleted the second sentence of this section.

The requirement to pay money "into the General Fund" is substituted for the former requirement that the money be paid "over to the Treasurer and ... become general funds", to conform to references elsewhere in the Code and to reflect that, in practice, State units directly deposit moneys with the depositaries that the Treasurer designates.

The former second sentence, which required the money to be disbursed as provided in Md. Constitution, Art. III, §§ 32 and 52 and Art. 15A of the Code, is deleted as unnecessary in light of the usual budgetary process and, in light of the revision of parts of Art. 15A in the State Finance and Procurement Article, as partially obsolete.

2-310.1.

(c) Penalties collected by the Board under this section shall be paid [over to the State Treasurer and shall become a part of the general fund] INTO THE GENERAL FUND of the State.
