

This bill repeals Anne Arundel County's limited exemption from the provisions of the Health-Environmental Article authorizing a political subdivision to create a water and sewer authority, and expands the exemption for Prince George's County from these provisions.

House Bill 540, which was passed by the General Assembly and signed by me on May 28, 1985, accomplishes the same purpose. Therefore, it is not necessary for me to sign Senate Bill 587.

Sincerely,  
Harry Hughes  
Governor

BY repealing and reenacting, with amendments,
