REVISOR'S NOTE: This section is new language derived without substantive change from the first sentence of former Art. 81, § 9C(1), the first sentence of (a)(1) as that sentence related to Prince George's County tax credits, and the first sentence of § 9(e-1).

Subsection (a)(2) of this section is rewritten as a property tax credit because the former "exemption" is limited geographically and is applicable only to the county property tax. The General Assembly may wish to consider this substitution.

In subsection (a)(1) of this section, the former reference to the Maryland Jaycees, Inc. being "otherwise known as Maryland State Junior Chamber of Commerce, Inc." is deleted as unnecessary.

In the introductory language of subsections (b) and (c) of this section, the defined term "governing body" is substituted for the former references to "County Council", for clarity.

Also in the introductory language of subsections (b) and (c) of this section, the defined term "law" is substituted for the former references to "ordinance" and "resolution or ordinance", for clarity.

In the introductory language of subsection (b)(1) of this section, the term "property tax credit" is substituted for the former word "exemption", to clarify the apparent legislative intent that this section be treated as a tax credit.

In subsection (b)(1)(i)1. of this section, the word "owned" is substituted for the former phrase "title to which is held", for clarity and brevity.
