

THE JUDGMENT.

REVISOR'S NOTE: This section is new language that repeats the provisions of the first and second sentences of present Art. 81, § 210(b) and the first and second clauses of (a), as those clauses relate to the duty to initiate action.

In the introductory language of subsection (b) of this section, the defined term "municipal corporation" is substituted for the present reference to "city", for clarity and consistency.

Also in the introductory language of subsection (b) of this section, the former reference to "[w]henver such suit is requested to be instituted and it is ascertained by the officer whose duty it is to collect such taxes including the interest and penalties accrued thereon that a lesser sum may be collected than the total sum due" is omitted as superfluous.

Also in the introductory language of subsection (b) of this section, the present language "and the full sum may include all taxes due the jurisdiction" is omitted as superfluous.

In subsection (b)(2) of this section, the reference to accepting a lesser amount on behalf of the "State Treasurer" is added to clarify who accepts for the State.

In subsection (b)(3) of this section, the present reference to a release of a claim or satisfaction of judgment being made "as though the same had been paid in full" is omitted as superfluous.
