

(h) If, as the result of an audit pursuant to subsection [(e)] (F), the Secretary determines that the guidelines required under subsection [(d)] (E) have not been followed, he shall advise the contracting authority as to the nature of the deviation from the guidelines, and he shall suggest to the contracting authority alternate methods or criteria which would have resulted in compliance with the guidelines.

(j) The Secretary of Personnel shall include the following information in the annual reports required by Section 10 of this article:

(1) A summary by department of all certificates issued pursuant to subsection (b) during the previous fiscal year;

(2) A summary of the results of audits undertaken pursuant to subsection [(e)] (F) during the previous fiscal year;

(3) A detailed report of any actions taken under subsections [(f) and (g)] (G) AND (H) during the previous fiscal year; and

(4) A listing of any exemptions granted under subsection [(h)] (I) during the previous fiscal year.

Article 74 - Pilots

1.

(a) There is a Board of Examiners of Maryland Pilots. The Board shall be part of the Department of Licensing and Regulation. It shall consist of 9 members ~~appointed--by--the Governor~~, including:

(1) The Secretary of Licensing and Regulation or a designee of the Secretary; and

(2) 8 ~~APPOINTED~~ members, APPOINTED BY THE GOVERNOR with the advice of the Secretary of Licensing and Regulation, of whom:

(i) 4 shall be licensed or retired pilots with at least 5 years' experience;

(ii) 2 shall be members of the steamship industry who actively employ pilots; and

(iii) 2 shall be consumers from the general public.

[(c)] (B) The following members of the Board may not have any past or present employment or interest with or for the shipping or maritime industry:
