(b) (3) (i) If the Department of Health and Mental Hygiene closes any area to the catching of oysters or clams under this subsection, in addition to the notice required in subsection [(b)(1)] (B)(3)(II), the Department of Natural Resources shall mark the area so that the area can be seen from the water.

(ii) The Department of Natural Resources shall adopt rules and regulations to provide for the marking in a plain and visibly obvious fashion of any area that is closed to the catching of oysters or clams because of pollution. Even in the absence of such marking devices, a person may not catch oysters or clams in a restricted area as designated by the Department of Health and Mental Hygiene if notice has been given to the appropriate governing body and the committee of watermen of any county affected by the restriction.
