

REVISOR'S NOTE: This section formerly appeared as Art. 88C, § 2(b)(2) and the second clause of the fourth sentence of (b).

The only changes are in style.

Defined terms: "Includes"; "including" § 1-101  
"Plan" § 5-601

5-613. MAJOR PUBLIC AND PRIVATE WORKS.

THE PLAN SHALL CONTAIN RECOMMENDATIONS CONCERNING THE NEED FOR AND THE PROPOSED GENERAL LOCATION OF MAJOR PUBLIC WORKS AND PRIVATE FACILITIES, INCLUDING UTILITIES, FLOOD CONTROL WORKS, WATER RESERVOIRS, POLLUTION CONTROL FACILITIES, AND MILITARY OR DEFENSE INSTALLATIONS, THAT ARE OF STATE, AS OPPOSED TO PURELY LOCAL OR REGIONAL, CONCERN BECAUSE OF:

- (1) THEIR FUNCTION, SIZE, EXTENT, OR LEGAL STATUS;
- (2) THE FACT THAT THEIR AUTHORIZATION, LOCATION, OR CONSTRUCTION IS LEGALLY UNDER THE JURISDICTION OF A UNIT OF THE STATE GOVERNMENT; OR
- (3) ANY OTHER REASON THAT MAKES INCLUSION IN THE PLAN APPROPRIATE.

REVISOR'S NOTE: This section is new language derived without substantive change from former Art. 88C, § 2(b)(5) and the second clause of the fourth sentence of (b).

In the introductory language of this section, the word "and" is added before the words "the proposed general location of" to correct an apparent omission in the former law.

In item (2) of this section, the phrase "the jurisdiction of a unit of State government" is substituted for the former phrase "the province or jurisdiction of State bodies or officials", for clarity and brevity, and to conform with similar provisions elsewhere in this article.

Defined term: "Plan" § 5-601

5-614. CIRCULATION PATTERNS.

THE PLAN SHALL RECOMMEND A MAJOR CIRCULATION PATTERN FOR THE STATE, INCLUDING MAJOR TRANSPORTATION ROUTES AND MAJOR TERMINALS THAT SHOULD BE USED FOR MOVEMENT WITHIN THE STATE OR FOR MOVEMENT FROM AND TO ADJOINING AREAS.

REVISOR'S NOTE: This section formerly appeared as Art. 88C, § 2(b)(4) and the second clause of the fourth sentence of (b).
