

(2) THE DESCRIPTION SHALL INCLUDE:

(I) AN EXPLANATION OF THE PURPOSE OF THE AMENDMENT; AND

(II) AN ANALYSIS OF THE IMPACT OF THE AMENDMENT ON APPROPRIATIONS OF SPECIAL AND FEDERAL FUNDS.

REVISOR'S NOTE: This section is new language derived without substantive change from former TR § 2-103.1(c).

In subsection (a) of this section, the language "subject to § 2-1312 of the State Government Article" is added as a general reference to the requirement that a unit submit to the Department of Legislative Reference 5 copies of each report that is for the General Assembly, instead of distributing the report to each member.

Also in subsection (a) of this section, the reference to "amendments of appropriation schedules" is substituted for the former reference to "budget amendments", since this section applies to an appropriation under any appropriation act and not just appropriations in the State budget.

Similarly, in subsection (b)(1) of this section, the reference to a "proposed amended schedule" is substituted for the former references to "budget amendment[s]". The substituted language conforms to § 7-209 of this subtitle and reflects that, under the referenced section, a unit proposes an amendment, but the Governor may approve or disapprove the amendment.

As to the report of the Governor on amendments, see § 7-209(f)(2) of this subtitle.

Defined terms: "Includes"; "including" § 1-101
