Mr John B Break

Sir -

The bearer of this  
William Donaldson is the boy  
set free by Mrs E W Snowden,  
He wishes to get his free papers  
By reference to the record  
you will find his name among  
others freed by Mrs E W S. Mr  
Charles Hill will probably certify  
further to his being the man, should  
it be found necessary

Yours Very Resp
