

Maryland P. E. County, Prick

On this 11th day of July, 1830. Came before me
the subscriber Richard S. Hill, and made
oath on the Holy Gospels of Almighty God
that negro woman Cornelia Keest is a free
woman of color, and is entitled to her freedom
by virtue of her being the reputed daughter of
Larina Keest who is also a ~~man~~ a free woman
of color, given under my hand this day and
date above written.
