

(7) Four shall be residents of this State, chosen for their interest in higher education, who are not employed by, professionally affiliated with, or members of the governing board of any institution of higher education in this State; and

[(6) One shall be a representative of the private postsecondary proprietary institutions;]

(8) ONE SHALL BE A STUDENT.

DRAFTER'S NOTE: This corrects an error in § 18-202(a) of the Education Article.

The membership of the State Scholarship Board was increased to 11 members in Chs. 142 and 334 of the Acts of the Regular Session of the General Assembly of 1985, and this is reflected in ED § 18-202(b). However, because Ch. 142 and Ch. 334 each added a different additional member, ED § 18-202(a) does not reflect that there were two members added, bringing the total membership to 11. Instead, ED § 202(a) only reflects the total membership reflected in each Act.

The error was noted by the Governor's Legislative Office and by the Michie Company.

18-308.

(b) The State Scholarship Board may enter into reciprocal scholarship agreements with other states. [However] HOWEVER, the Board shall give priority to entering into reciprocal agreements with contiguous and nearby states.

DRAFTER'S NOTE: This corrects the omission of punctuation in § 18-308(b) of the Education Article.

The punctuation, a comma after the word "However", was omitted in Ch. 613 of the Acts of the General Assembly of 1980.

The omission of the punctuation was noted by the Computer Division of the Department of Legislative Reference.

(d) The State Scholarship Board shall submit an annual report on the reciprocal scholarship program to the State Board [of] FOR Higher Education.

DRAFTER'S NOTE: This corrects a misnomer in a reference to the State Board for Higher Education in § 18-308(d) of the Education Article.

The misnomer occurred in Ch. 613 of the Acts of the General Assembly of 1980.
