(b) A license or permit is not required for the manufacture of family wine, beer, or cider exclusively for home consumption, competition, or use in a licensed national family wine exhibition and not for sale. In St. Mary's County, cider or native wines may be sold by the maker thereof without a license.

DRAFTER'S NOTE: These provisions are included to resolve questions raised by the Attorney General's May 20, 1985 bill review letter to the Governor regarding the adequacy of the title of Chapter 559 (Senate Bill 688) of the Acts of the Regular Session of 1985. That letter suggested that the title of Senate Bill 688 did not clearly reflect permissive provisions relating to the production, transportation, or possession of family wine. The title of this Curative Bill reflects those provisions, as shown above.
