9-509.

As provided in [§ 9-203(b)(1)] § 9-203(B) of this title, a county may finance in part the cost of preparing its county plan or any revision or amendment of its county plan.

DRAFTER'S NOTE: This corrects an erroneous cross-reference in § 9-509 of the Health - Environmental Article.

Ch. 795 of the Acts of the General Assembly of 1984 rewrote HE § 9-203(b) so that there are no longer any numbered paragraphs within the subsection.

The erroneous cross-reference was noted by the Michie Company.

(d) In Allegany County, the boundaries of an existing service area may be changed to reduce the area included in the service area if the sanitary commission and the governing body of Allegany County make the findings specified in [subsections (a) and] SUBSECTION (b) of this section and also find that the change in the boundaries of the service area would:

(1) Exclude only properties which are not served by any project benefiting the service area or which the sanitary commission finds and determines will not be served within 2 years after the later of:

(i) The date on which the construction is completed for any project then under construction for the service area; or

(ii) The date on which the sanitary commission adopts a resolution to change the boundaries of the service area; and

(2) Not cause the outstanding principal balance of bonds issued for the service area to exceed 25 percent of the total value of property, as assessed for county taxation, in the service area, as proposed to be reduced, on the date on which the sanitary commission adopts the resolution to change the boundaries of the service area.

DRAFTER'S NOTE: This corrects an erroneous internal reference in § 9-647(d) of the Health - Environmental Article.
