

Annotated Code of Maryland  
(1983 Replacement Volume and 1985 Supplement)

SECTION 1. BE IT ENACTED BY THE GENERAL ASSEMBLY OF MARYLAND, That the Laws of Maryland read as follows:

Article 73B - Pensions

32.

(b) (1) If a member transfers ON OR AFTER JANUARY 1, 1980 from a retirement or pension system where accumulated contributions are deducted on all earnable compensation to a retirement or pension system where accumulated contributions are not deducted on all earnable compensation, the member shall receive service credit for and in the amount of benefits in the system to which the member transfers. Any claim for the service credit shall be made within 1 year of the date of entrance into the system to which the member transfers. Notwithstanding any other provision of this article or the laws of any political subdivision of this State, upon verification of the service credit, the system from which the transfer is made may not provide any benefit for the service credit transferred. The member's accumulated contributions shall be refunded upon request.

(2) When an employee who is a member of a retirement or pension system operated on an actuarial basis under the laws of this State or the laws of any political subdivision of this State transfers to another such retirement or pension system, all the employer's contributions with interest on behalf of the employee member shall be transferred. The amount to be transferred shall be determined by actuarial valuation, the cost of which shall be borne equally by both systems.

SECTION 2. AND BE IT FURTHER ENACTED, That any member who transfers a contributory retirement or pension system to a noncontributory retirement or pension system from January 1, 1980 to June 30, 1981, both inclusive, may make a claim for the service credit provided in Section 1 of this Act within 1 year of the effective date of this Act.

SECTION 3. AND BE IT FURTHER ENACTED, That this Act shall take effect July 1, 1986.

Approved May 13, 1986.
