

12-201.

This subtitle applies only to a contract:

(1) as defined in [Article 21, § 1-101 of the Code] § 11-101 OF THE STATE FINANCE AN PROCUREMENT ARTICLE; and

(2) not excluded by [Article 21, § 1-202 of the Code] § 11-202 OF THE STATE FINANCE AND PROCUREMENT ARTICLE.

Article - Transportation

2-103.

(h) Consistent with the State budget, DIVISION II OF THE STATE FINANCE AND PROCUREMENT Article [21], and other applicable provisions of law, the Secretary may contract with any person to provide services, supplies, construction, and maintenance for the Department or for any transportation related purpose.

2-103.1.

[(c) The Secretary shall submit to the General Assembly by the third Wednesday in January of each year a report on all budget amendments that were submitted by the Department as provided in Article 15A, § 8(e) of the Code. The report also shall include:

(1) A projection of any additional budget amendments that may be needed during the remainder of the fiscal year;

(2) An explanation of the purpose of each current and projected budget amendment; and

(3) An analysis of the impact that each current and projected budget amendment will have on special fund and federal fund appropriations.]

5-213.

(b) Subject to the provisions of DIVISION II OF THE STATE FINANCE AND PROCUREMENT Article [21], if the planning, acquisition, construction, improvement, maintenance, or operation of any airport facility is financed with federal money, the Administration may contract as required by the federal authorities acting under federal law.

5-409.

(a) With the approval of the Secretary, the Administration may, consistent with the provisions of DIVISION II OF THE STATE FINANCE AND PROCUREMENT Article [21], contract, lease, or otherwise arrange with any person to grant to the person the privilege of operating, as agent of this State or otherwise, any airport or airport facility owned or controlled by this State.
