

of this article, together with any voluntary contributions tendered as a contribution to this fund, shall be APPROPRIATED IN THE STATE BUDGET AND paid into this fund. THE MONEYS IN THIS FUND SHALL BE EXPENDED IN ACCORDANCE WITH THE EXPENDITURES-AND APPROPRIATIONS CONTAINED IN THE STATE BUDGET. Said moneys shall not be expended or available for expenditure in any manner which would permit their substitution for (or a corresponding reduction in) federal funds which would in the absence of said moneys be available to finance expenditures for the administration of the Unemployment Insurance Law. But nothing in this section shall prevent said moneys from being used as a revolving fund, to cover expenditures (necessary and proper under the law) for which federal funds have been duly requested but not yet received, subject to the charging of such expenditures against such funds when received. The moneys in this fund shall be used by the Executive Director for reimbursement of interest in contributions erroneously collected and the payment of costs of administration which are found not to have been properly and validly chargeable against federal grants (or other funds) received for or in the Unemployment Insurance Administration Fund on or after January 1, 1963. Such moneys shall be available either to satisfy the obligations incurred by the Executive Director directly or by requesting the State Treasurer to transfer the required amount from the Special Administrative Expense Fund to the Unemployment Insurance Administration Fund. The State Treasurer shall upon receipt of a written request of the Executive Director make any such transfer. No expenditure of this fund or transfer herein provided shall be made unless and until the Executive Director by resolution duly entered in his minutes finds that no other funds are available or can properly be used to finance such expenditures. The Executive Director shall order the transfer of such funds or the payment of any such obligation and such funds shall be paid by the State Treasurer on requisitions drawn by the Executive Director directing the State Treasurer to issue his warrant therefor. Any such warrant shall be drawn by the State Treasurer based upon bills of particulars and vouchers certified by an officer or employee designated by the Executive Director. Such certification shall among other things include a duly certified copy of the resolution of the Executive Director hereinbefore referred to. The moneys in this fund are hereby specifically made available to replace, within a reasonable time, any moneys received by this State pursuant to § 302 of the federal Social Security Act as amended, which because of any action or contingency, have been lost or have been expended for purposes other than, or in amounts in excess of, those necessary for the proper administration of the Unemployment Insurance Law.

Subject to the approval of the Board of Public Works, such moneys shall be available, for the purpose of acquiring suitable office space for the effective operations of the Department of Employment Security, by way of purchase, lease, contract or in any other manner including the right to use said funds or any part thereof to purchase land and erect thereon such buildings as the Executive Director shall deem necessary or to assist in financing the construction of any building erected by the State
