

Control Fund and to the separate account created by § 7-220(b) of the Health - Environmental Article of the Code, and to be expended for:

(a) All costs incurred by the State for removal, restoration, or remedial action, including the restoration of natural resources where feasible, in response to a release or threatened release of any controlled hazardous substance, to the extent the costs are not reimbursable under the Comprehensive Environmental Response, Compensation, and Liability Act of 1980; and

(b) The State share mandated under § 104(c)(3) of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980.

(4) An annual State tax is imposed on all assessable property in the State in rate and amount sufficient to pay the principal of and interest on the bonds, as and when due and until paid in full. The principal shall be discharged within 15 years after the date of issue of the bonds.

SECTION 2. AND BE IT FURTHER ENACTED, That this Act shall take effect June 1, 1986.

Approved May 13, 1986.
