

(a) (1) The owner of any vehicle described in paragraph (2) of this subsection may apply to the Administration for the assignment to that vehicle of a special, disabled person's registration number, if the applicant, a dependent of the applicant, or any individual who depends on the applicant for transportation:

(i) Has permanently lost the use of a leg or an arm;

(ii) Is so severely and permanently disabled as to be unable to move without a wheelchair or crutches;

(iii) So suffers from lung disease that his forced expiratory volume, one second, when measured by spirometry, is less than one liter;

(iv) Has a permanent impairment of both eyes so that:

1. The central visual acuity is 20/200 or less in the better eye, with corrective glasses; or

2. There is a field defect in which the peripheral field has contracted to such an extent that the widest diameter of visual field subtends an angular distance no greater than 20 degrees in the better eye; or

(v) Has a physical disability, as certified by a licensed physician and determined by the Administration, which is permanent, which substantially impairs the person's mobility, and which is so severe that the person would endure a hardship or be subject to a risk of injury if the privileges accorded a person for whom a vehicle is specially registered under this section were denied.

(2) This section applies only as to:

(i) A Class A (passenger) vehicle or a Class M (multipurpose) vehicle;

(ii) A Class E (truck) vehicle with a 3/4 ton or less manufacturer's rated capacity and specially equipped for the transportation of or operation by a handicapped individual; or

(iii) A Class H, I, or J, vehicle that is specially equipped for the transportation of handicapped individuals and is used exclusively for the transportation of handicapped or disabled individuals.

(b) Special registration may be issued under this section only if the applicant submits:
