The Honorable Melvin A. Steinberg
President of the Senate
State House
Annapolis, Maryland 21404

Dear Mr. President:

In accordance with Article II, Section 17 of the Maryland Constitution, I have today vetoed Senate Bill 579.

This bill authorizes the governing body of Carroll County to order the owner of a radio or television transmitting tower equipped with a certain system of aviation obstruction lights to install an alternate system of lighting, consistent with applicable State and federal aviation regulations.

House Bill 1533, which was passed by the General Assembly and signed by me on May 27, 1986, accomplishes the same purpose. Therefore, it is not necessary for me to sign Senate Bill 579.

Sincerely,
Harry Hughes
Governor

Senate Bill No. 579

AN ACT concerning

Carroll County - Transmission Towers - Lighting Equipment

FOR the purpose of authorizing the ~~governing-body-of-a-political subdivision~~ County Commissioners of Carroll County to require the owner of a transmitting tower ~~or-other-structure~~ equipped with a certain pulsating high intensity light system to cease the nighttime operation of the light system ~~or--convert by converting~~ the light system under certain circumstances; establishing requirements for certain public hearings; providing that a certain owner shall pay the cost of the conversion of certain light systems; establishing a certain penalty; and generally relating to the authority of
