The Honorable Benjamin L. Cardin  
Speaker of the House of Delegates  
State House  
Annapolis, Maryland 21404

Dear Mr. Speaker:

In accordance with Article II, Section 17 of the Maryland Constitution, I have today vetoed House Bill 479.

This bill increases the amount of certain expenses of county public library systems shared by the State and counties participating in the minimum library program, limits the employer social security contributions paid by the State for certain positions in public libraries, and alters the calculation of the local matching amount for current and capital expenses.

Senate Bill 279, which was passed by the General Assembly and signed by me on April 29, 1986, accomplishes the same purpose. Therefore, it is not necessary for me to sign House Bill 479.

Sincerely,  
Harry Hughes  
Governor
