

Article 38A - Fires and Investigations

8A.

(c) A judge of a court referred to in subsection (a) of this section may issue the warrant on finding that:

(2) The scope of the proposed search is reasonable and will not intrude unnecessarily on the fire victim's privacy[:];

DRAFTER'S NOTE: This corrects punctuation in Article 38A, § 8A(c)(2).

A colon was incorrectly substituted for a semicolon in Ch. 512 of the Acts of the Regular Session of the General Assembly of 1985.

The Michie Company noted the error in punctuation.

[46.] 43.

The governments of Kent and Queen Anne's counties may enact a service award plan for the volunteer firemen in the counties based on length of service. The plan shall become effective prior to July 2, 1980.

DRAFTER'S NOTE: The renumbers Article 38A, § 46 to be Article 38A, § 43, so that it will once again fall under the subtitle "Volunteer Firefighters and Rescue Squadmen".

Ch. 118 of the Acts of the Regular Session of the General Assembly of 1985 interposed a new subtitle between § 46 and the subtitle heading under which it belongs. This renumbering will place the section under its proper subtitle.

This correction was suggested by the Michie Company.

45C.

(a) Subject to the provisions of [subsections (b) and (c)] SUBSECTION (B) of this section, each county shall receive an initial allocation of funds based on a percentage to be determined in the following manner:

(1) The Director of the Department of Assessments and Taxation shall certify to the Secretary for each county its total percentage of agricultural, agricultural-residential, residential, condominium, apartment, commercial, industrial, and exempted property tax accounts, including vacant unimproved properties, relative to the statewide total of all such property tax accounts for the first completed fiscal year immediately preceding the fiscal year for which funds are to be allocated.
