36.

Each employee (or in the case of death his family or dependents) entitled to receive compensation under this article shall receive the same in accordance with the following schedule and except as in this article otherwise provided, such payment shall be in lieu of any and all rights of action whatsoever against any person whomsoever.

(4a) A person who, from one accident, receives an award of compensation for a period of two hundred and fifty (250) weeks or more under [subsections] SUBSECTION (3) or (4) OF THIS SECTION or a combination of both, is thereby considered to have a serious disability; except any award for disfigurement or mutilation under subsection (3)(f) of this section shall not be considered a determination of serious disability. The weeks for such award shall be increased by one third (computed to the nearest whole number); and the compensation shall be for sixty-six and two-thirds per centum of the average weekly wages, in no case to exceed sixty-six and two-thirds per centum of the State average weekly wage of the State of Maryland as determined by the Department of Employment Security. The Department of Employment Security shall report the average weekly wage of the State of Maryland as of July 1, to the Workmen's Compensation Commission no later than December 15th each year. In no case shall the employee receive less than a minimum of fifty dollars per week unless the employee's established weekly wages are less than fifty dollars per week at the time of injury, in which event he shall receive compensation equal to his full wages. This subsection, to the extent of any inconsistency, prevails over subsections (3) and (4) OF THIS SECTION; but otherwise subsections (3) and (4) OF THIS SECTION apply to persons covered by this subsection. Provided, however, that any additional compensation for permanent partial disability on a petition to reopen shall not increase the amount of compensation previously awarded and actually paid.
