Article 41 - Governor - Executive and Administrative
Departments

1-101.

Upon the taking effect of this act the executive and administrative departments, boards, commissions, institutions, other units of the State government, and officers of the State government of Maryland mentioned in this act shall be organized, established, continued or abolished, and shall have and exercise the rights, powers, duties, obligations and functions [as herein] provided UNDER THIS ARTICLE. No [provisions] PROVISION of this article shall be deemed as repealed by any act hereafter passed unless [said] THE provision is expressly referred to and repealed [in terms of], OR some other clear evidence is given [to] OF the intent [of the part] of the General Assembly to change the policy of the State [herein] declared UNDER THIS ARTICLE.

DRAFTER'S NOTE: This clarifies the language of Article 41, § 1-101.

The language being clarified was contained in Ch. 29 of the Acts of 1922 and Ch. 156 of the Acts of 1969. A portion of the lack of clarity in the section was due to a typographical error (the use of the word "of" in place of the word "or" in the second sentence of the section) contained in the 1978 Replacement Volume for Volume 4A of the Annotated Code of Maryland.
