

If any food that is not intended for human consumption is stored in a cold storage warehouse, the food shall be marked:

(1) In a way that plainly indicates that the food is not to be used for human consumption; and

(2) As the Secretary requires.]

[4-520. Reserved.]

[4-521. Reserved.]

[Part IV. Prohibited Acts]

[4-522.

A person may not operate a cold storage warehouse in this State unless licensed under this subtitle.]

[4-523.

A person may not store in any cold storage warehouse any food that is intended for human consumption if the food is:

(1) Diseased, tainted, or otherwise unfit for human consumption; or

(2) In such condition that it will not keep fit for human consumption.]

[4-524.

(a) A person may not place, keep, or receive any food in cold storage unless the food or its container is marked or tagged with the date the food is placed in cold storage.

(b) A person may not remove any food from cold storage or allow any food to be removed from cold storage unless the food or its container is marked or tagged plainly with the date the food is removed from cold storage.

(c) The dates marked or tagged on food or its container under this section are prima facie evidence that the food was placed in and removed from cold storage on the dates indicated.]

[4-525.

(a) Unless the Secretary grants an extension under this section, a person may not keep any food in, or permit any food to remain in, cold storage if the food has been in cold storage for more than 12 months.
