

(1) Keep the surroundings of the licensee's cannery or frozen food processing plant sanitary; and

(2) Keep waste from collecting in and around the buildings of the cannery or frozen food processing plant.]

[4-621.

(a) Each employee who occupies living quarters provided by a licensee shall keep the living quarters sanitary.

(b) Each employee in a cannery or frozen food processing plant who works where food is prepared shall wear:

(1) Clean clothing that is disposable or can be washed; and

(2) A clean, effective hair restraint.]

[4-622. Reserved.]

[4-623. Reserved.]

[Part IV. Prohibited Acts]

[4-624.

(a) (1) Except as provided in paragraph (2) of this subsection, a person may not operate a cannery or frozen food processing plant without a license.

(2) If the Secretary believes that a person is operating a cannery or frozen food processing plant without a license, the Secretary shall give the person notice, by certified mail, return receipt requested, bearing a postmark from the United States Postal Service, that the person has 10 days in which to obtain a license.

(b) If a license issued under this subtitle is suspended or revoked, the person whose license is suspended or revoked may not do any act within the scope of the suspended or revoked license.]

[4-625.

An employee in a cannery or frozen food processing plant who has an infected wound on an arm or hand may not:

(1) Handle a food product; or

(2) Handle a container for food products before the container is sealed.]

[4-626.
