

[4-909.

Any vinegar sold in violation of § 4-908 of this subtitle is subject to forfeiture and destruction.]

[Subtitle 10. Miscellaneous Food Provisions]

[Part I. Methyl and Denatured Alcohol]

[4-1001.

A person may not sell or provide, for beverage purposes or under circumstances from which it might be reasonably deduced that it was being procured for beverage purposes:

(1) Methyl or denatured alcohol; or

(2) Any substance or preparation that contains methyl or denatured alcohol.]

[4-1002.

(a) A person who is engaged in making, compounding, or selling extracts, essences, or other fluids that commonly are used for flavoring food may not use or permit the use of methyl alcohol in making or compounding any extract, essence, or other fluid that commonly is used for flavoring food.

(b) A person may not sell any extract, essence, or other fluid that commonly is used for flavoring food if the extract, essence, or other fluid contains any methyl alcohol.]

[4-1003. Reserved.]

[4-1004. Reserved.]

[Part II. Shellfish]

[4-1005.

Except for shellstock that is imported into this State for replanting under the direction of the Tidewater Administration, a person may not import shellfish into this State unless the shellfish is from a source certified by the U. S. Public Health Service for Interstate Shipment.]

[4-1006.

(a) Unless the shellfish contained in the food comes from a source certified by the U. S. Public Health Service for Interstate Shipment, a person may not import into this State any food that contains shellfish.
