

and approves the plans, the Commission may issue a permit for construction. In every case conditions of any permit granted for work performed in Montgomery County by any contractor doing work for the Washington Suburban Sanitary Commission and by any public service company, as defined in § 2, Article 78, of the Code may not be less stringent than standards incorporated into the provisions of any grading or building law or ordinance adopted pursuant to § [8-1103] 4-103 of this subtitle. Montgomery County shall inspect and enforce the conditions of the approved plans and permits. The provisions of this subsection do not apply until the soil conservation district in the county approves erosion and siltation control requirements for utility construction in that county.

[8-1105] 4-106.

The provisions of § [8-1104] 4-105 do not apply to any State unit. If a State unit undertakes any land clearing, soil movement, or construction activity, the Department of [Natural Resources] THE ENVIRONMENT shall review and approve this action.

[8-1106] 4-107.

The Department of [Natural Resources] THE ENVIRONMENT shall assist soil conservation districts in preparing and implementing a unified sediment control program under this subtitle.

[8-1107] 4-108.

For the purposes of this subtitle, the bureau of public works or a similar municipal unit shall act in place of the appropriate soil conservation district in any municipality not within a soil conservation district.

[8-1108] 4-109.

(a) Any person who violates any provision of this subtitle is guilty of a misdemeanor, and upon conviction in a court of competent jurisdiction is subject to a fine not exceeding \$5,000 or imprisonment not exceeding one year or both for each violation with costs imposed in the discretion of the court. Each day upon which the violation occurs constitutes a separate offense.

(b) Any agency whose approval is required under this subtitle or any interested person may seek an injunction against any person who violates or threatens to violate any provision of this subtitle.

(c) (1) In addition to any other sanction under this subtitle, a person who fails to install or to maintain erosion and sediment controls in accordance with an approved plan shall be liable to the county, municipality, or the State, as
