

8-801 of the Transportation Article, producing, collecting, retaining, throwing, dumping or depositing any trash, junk or other refuse have not erected retaining walls or other restraining devices or procedures approved by the Water Resources Administration, the presence of any trash, junk, automobiles, automobile tires, other automobile parts or other refuse in waters of the State or on embankments or other sites where it may readily fall into or be transported into the waters of the State shall be prima facie evidence of a violation of this section and be subject to the penalties imposed herein.

(c) Violation of this section is a misdemeanor and any person convicted thereof before a court of proper jurisdiction is punishable by a fine of not more than \$500.00, or by imprisonment of not more than ninety (90) days, or both.

Article 29 - Washington Suburban Sanitary District

5-102.

(b) (1) The WSSC may not impose or collect a front foot benefit charge on:

(i) State, county, or municipal buildings or property;

(ii) Property in the sanitary district that is connected to or authorized by the WSSC to be connected to a public water or sewer system operated by a municipality or by a water or sewer company under the jurisdiction of the Department of [Health and Mental Hygiene] THE ENVIRONMENT;

(iii) Public parks or playgrounds owned by a municipality;

(iv) Property or buildings owned by a regularly organized volunteer fire department that is used for public purposes; or

(v) Land classed as agricultural that is actually used for farming or trucking purposes, unless a water or sewer connection to a line running through or adjacent to the land is made.

(2) The land that is classified as agricultural is subject to a front foot assessment for a reasonable frontage, as determined by the WSSC, not exceeding 300 feet.

8-102.

(d) (1) On completion of any project under this section, the person constructing the project shall file with the WSSC as a permanent record a certified copy of the plans in full, showing
