

(5) Would not be so located or constructed as to have a material adverse effect upon the public health, safety, or welfare.

(6) Would not be a potential or immediate undue burden on the water supply of the site or region.

(7) Would not materially contribute to an extant level of undue environmental degradation or resource exhaustion.

(8) Conforms with any coastal zone management program developed by the State of Maryland pursuant to the federal Coastal Zone Management Act of 1972.

(9) Would have no material adverse effect upon critical areas identified and designated pursuant to § 5-611 of the State Finance and Procurement Article and Article 66B, § 3.05.

(10) Would not impose, directly or indirectly, a substantial burden on existing State, regional, or county public facilities beyond their respective capacities, or that new public facilities, if necessary, either

(i) Would not be completed in time to serve the facility, or

(ii) Would be inadequate to serve the facility without causing overloading of the public facilities.

(11) Evidences fewer undesirable environmental, economic, fiscal, and cultural consequences in its specific or general proposed location than other specific or general locations.

8-1804.

(a) The Commission consists of 25 26 voting members who are appointed by the Governor, as follows:

(1) A full-time chairman, appointed with the advice and consent of the Senate, who shall serve at the pleasure of the Governor;

(2) 11 individuals, appointed with the advice and consent of the Senate, each of whom is a resident and an elected or appointed official of a local jurisdiction. At least 1 of these 11 individuals must be an elected or appointed official of a municipality. These individuals shall serve on the Commission only while they hold local office. Each shall be selected from certain counties, or from municipalities within said counties, as follows, and only after the Governor has consulted with elected county and municipal officials:
