

Annotated Code of Maryland
(1983 Replacement Volume and 1986 Supplement)

SECTION 1. BE IT ENACTED BY THE GENERAL ASSEMBLY OF MARYLAND, That the Laws of Maryland read as follows:

Article 56 - Licenses

534.

(c) Examinations for licenses shall be held at times and places within the State to be determined by the Board. Examinations shall be held at least twice annually. Applications shall be filed at least 45 days prior to the examination date. Each applicant shall take and pass [an objective] A written examination to determine fitness for a license. The passing grade shall be 70 percent and the notice for the examination shall specify the passing grade. The examination promulgated by the Board shall require knowledge of all applicable codes or other rules, laws, or principles of electrical installations, from a list of questions submitted by the Uniform Electrical Licensing Examination Committee. Any local electrical licensing board which has qualifications equivalent to those of the State and which administers master electricians' examinations that are also equivalent to those of the State shall be certified. Any eligible applicant who has successfully completed a certified examination for a master electrical license in a local jurisdiction shall be exempt from the State examination, and any eligible applicant who has successfully passed a State examination for a master electrical license shall be exempt from any local jurisdiction's examination.

536.
