

~~(4) -- An annual State tax is imposed on all assessable property in the State in rate and amount sufficient to pay the principal of and interest on the bonds, as and when due and until paid in full. The principal shall be discharged within 15 years after the date of issue of the bonds.~~

The County Commissioners of Dorchester County, for the purpose of acquiring land for a jail site and for industrial parks and related uses, may borrow on the full faith and credit of the County \$500,000 upon such terms and conditions as the Board of County Commissioners may by resolution deem appropriate, including the issuance of general obligation bonds of the County at public or private sale to bear such rate or rates of interest as the Board considers reasonable. This authority shall be deemed supplemental to that provided in Chapter 200 of the Acts of the General Assembly of 1985, and the provisions of that Act shall apply to the issuance of bonds authorized by this Act. The purposes for which bonds may be sold under Chapter 200 of the Acts of 1985 shall be deemed to include the construction of a new jail facility and the acquisition as well as development of land therefor and for industrial park and related purposes. Nothing in either this Act or of Chapter 200 of the Acts of 1985 shall be deemed to prevent the County Commissioners from issuing, under the authority of either Act, bonds the interest on which is not excluded from gross income for federal income tax purposes.

SECTION 2. AND BE IT FURTHER ENACTED, That this Act shall take effect June 1, 1987.

Approved May 14, 1987.
