

## CHAPTER 504

(House Bill 740)

AN ACT concerning

Prince George's County - Washington Suburban Sanitary  
Commission - Storm Drainage and Flood Control Facilities -  
Financing  
MC/PG 7-87

FOR the purpose of authorizing the issuance of bonds of the Washington Suburban Sanitary District in an aggregate principal amount not exceeding \$21,000,000, for paying the cost of stormwater, surface drainage, or flood control projects or systems or of individual floodproofing facilities on private property, in the Prince George's County portion of the Sanitary District, including the payment of any portion of the costs of sanitary sewer or water supply facilities resulting from the construction or planned construction of the stormwater, surface drainage, or flood control systems; providing an alternate remedy for flood and stormwater conditions, taking into account public interest factors of environmental enhancement, engineering feasibility, and economy of system construction and operation, to pay the cost of acquiring land, interests in land, and structures on the land in floodplains, which property will then be held or transferred to other governmental agencies for public use, with restrictions and limitations against use of the property for habitation, commercial, or industrial activity; authorizing the issuance of notes in anticipation of the issuance of the bonds; and providing for the payment of the bonds and notes and the interest on the bonds and notes.

SECTION 1. BE IT ENACTED BY THE GENERAL ASSEMBLY OF MARYLAND, That:

(a) For the purpose of paying the cost of stormwater, surface drainage, or flood control projects or systems or of individual floodproofing facilities on private property as authorized by Chapter 700 of the Laws of Maryland of 1981, as amended, and carrying out provisions of Chapter 526 of the Laws of Maryland of 1943, as amended by Chapter 917 of the Laws of Maryland of 1945, and Chapter 732 of the Laws of Maryland of 1947, with respect to stormwater and surface drainage systems, including the cost of any engineering or other surveys of stormwater, surface drainage, or flood control needs in that portion of the Washington Suburban Sanitary District situated in Prince George's County, and for the purpose of paying for or towards the construction of any stormwater, surface drainage, or flood control project or system that is in the portion of the
