

IF PLANS DO NOT EXIST OR ARE OF INSUFFICIENT SCOPE OR DETAIL, THE AUTHORITY OR PERSON WHO IS REQUIRED TO SUBMIT THE PLANS SHALL:

(1) PREPARE AND SUBMIT TO THE SECRETARY NEW OR SUPPLEMENTED PLANS; AND

(2) MAKE ANY INVESTIGATION THAT IS NECESSARY TO ENSURE THAT THE NEW OR SUPPLEMENTED PLANS ARE CORRECT.

(D) (E) ADDITIONAL INFORMATION.

(1) THE SECRETARY MAY REQUEST ANY OTHER INFORMATION ABOUT THE WATER SUPPLY SYSTEM, SEWERAGE SYSTEM, OR REFUSE DISPOSAL SYSTEM, INCLUDING INFORMATION OR RECORDS ON MAINTENANCE AND OPERATION, THAT THE SECRETARY CONSIDERS APPROPRIATE.

(2) ANY AUTHORITY OR PERSON TO WHOM A REQUEST IS MADE UNDER PARAGRAPH (1) OF THIS SUBSECTION SHALL SUBMIT THE INFORMATION OR RECORDS TO THE SECRETARY.

REVISOR'S NOTE: Subsection (a) of this section is new language added to avoid repetition of the phrase "water, sewerage, or sanitary district authority" and to clarify that all of these entities are authorities.

Subsections (b) through (e) of this section are new language derived without substantive change from former HE § 9-206.

Throughout this section, the references to "person" are substituted for the former words "county", "municipality", "corporation", "company", "institution", and "individual" in light of the definitions of "person" in §§ 1-101 of this article and 9-201 of this subtitle.

Throughout this section, the defined term "refuse disposal system" is substituted for the former terms "refuse disposal plant" and "refuse disposal plants", for consistency.

In the review and revision of this section, it was agreed that, based on a review of the legislative history, subsections (c) and (d) of this section were intended to apply to water supply systems, sewerage systems, and refuse disposal systems for public use that were in existence before the enactment of § 9-204 of this subtitle. Thus, subsections (c) and (d) of this section are revised according to the apparent intent of the law, and are not meant to duplicate the provisions of § 9-204(e) and (h) of this subtitle.
