

REVISOR'S NOTE: Subsections (a) through (d)(2) of this section are new language derived without substantive change from former HE § 9-219.

Subsection (d)(3) of this section is new language inserted by amendment during the 1987 Session of the General Assembly to add a substantive provision that prevents the Secretary from prohibiting the construction of shallow wells and privies under certain conditions.

In subsection (a) of this section, the reference to "private sewage disposal system" is substituted for the former reference to "private sewage disposal plant" for conformity.

In subsection (c) of this section, the references to "on-site sewage disposal system" are substituted for the former references to "waste disposal system", for clarity.
