REVISOR'S NOTE: This section is new language derived without substantive change from former HE § 9-222.

Throughout this section, the references to "sanitary district" are substituted for the former references to "district" for conformity to similar references in this subtitle.

In subsections (a)(1) and (c)(1)(ii) of this section, the former references to "counties" and "municipalities" are deleted as unnecessary in light of the definition of "person" in § 9-201 of this subtitle.

In subsection (a)(2) of this section, the former reference to "manufacturing ... establishments" is deleted as unnecessary in light of the term "industrial establishment". For similar deletions, see the revisor's note to the definitions of "sewage" in § 9-201 of this subtitle and Title 5 of this title.

As to subsection (c) of this section, both paragraphs (1) and (2) of subsection (c) are revised to authorize the collection of samples, records, and information
