

exercised reasonable care;

2. Any actual harm to the environment or to human health, including injury to or impairment of the use of the waters of this State or the natural resources of this State;

3. The cost of [clean up] CLEANUP and the cost of restoration of natural resources;

4. The nature and degree of injury to or interference with general welfare, health, and property;

5. The extent to which the location of the violation, including location near waters of this State or areas of human population, creates the potential for harm to the environment or to human health or safety;

6. The available technology and economic reasonableness of controlling, reducing, or eliminating the violation;

7. The degree of hazard posed by the particular waste material or materials involved; and

8. The extent to which the current violation is part of a recurrent pattern of the same or similar type of violation committed by the violator.

DRAFTER'S NOTE: This corrects a misspelling in § 7-266(b)(2) of the Health - Environmental Article.

The misspelling occurred in Ch. 240 of the Acts of 1982.

The misspelling was noted by the Computer Division of the Department of Legislative Reference.

9-658.

(g) (2) In addition to the actions that the sanitary commission may take under paragraph (1) of this [section] SUBSECTION, in Allegany [County and] COUNTY, Dorchester [County] COUNTY, and Somerset County, the sanitary commission may disconnect the service.

DRAFTER'S NOTE: This corrects a stylistic error in an internal reference and replaces an extraneous conjunction with appropriate punctuation and corrects the omission of punctuation in § 9-658(g)(2) of the Health - Environmental Article.

The stylistic error occurred in Ch. 240 of the Acts of 1982. The extraneous conjunction was added and the
