

a bona fide sale or exchange or in which burial rights have vested or been transferred as a result of a bona fide sale or exchange.

1-204.

[(d) Any item of expense in either budget for a stormwater management project that serves only 1 county and is funded solely by that county is not subject to approval or modification by the county that is not served by the stormwater management project.]

3-101.

(a) The WSSC shall make surveys, plans, specifications, and estimates for water supply[, ] AND sanitary sewerage[, and drainage] systems in those portions of the sanitary district that the WSSC considers necessary.

(b) (1) The WSSC shall divide the sanitary district into water[, ] OR sanitary sewerage[, or drainage] districts, in the WSSC's judgment, to best serve the needs of the various communities and to promote convenience and economy of installation and operation.

(2) The WSSC may proceed with construction in any of the districts that the WSSC considers advisable. However, if the construction is on the motion of the WSSC without petition or request from an interested party, the WSSC may give reasonable notice as the WSSC considers advisable.

(c) (1) On and after June 30, 1968, the WSSC may not install, operate, or exercise any authority over drainage systems in Montgomery County, except for that portion of the City of Takoma Park in Montgomery County.

(2) ON AND AFTER JUNE 30, 1987, THE WSSC MAY NOT INSTALL, OPERATE, OR EXERCISE ANY AUTHORITY OVER DRAINAGE SYSTEMS IN THE CITY OF TAKOMA PARK IN MONTGOMERY COUNTY, EXCEPT AS PROVIDED IN THIS TITLE.

3-102.

(a) When the plans and specifications for water supply[, ] OR sanitary sewerage[, or drainage] systems for any district have been completed and the WSSC has decided, after an opportunity for a hearing has been given, to proceed with the construction, the WSSC shall advertise, by notice in newspapers and technical press as the WSSC considers proper, for bids for the construction of the system, in parts or as a whole, as the WSSC considers advisable.

3-103.
