For the purpose of carrying out the provisions of §§ 3-202 through 3-207, inclusive, and 7-101 of this article and constructing a stormwater or surface drainage system, the WSSC is empowered, from time to time, to issue bonds in denominations and for terms not exceeding 25 years and at rates as provided in § 4-104 of this title, the bonds to be the general obligations of the sanitary district guaranteed by both Prince George's and Montgomery counties, as the construction bonds of the WSSC are now guaranteed under the provisions of Chapter 122 of the Acts of 1918 and amendments to the Chapter. The total amount of bonds for the construction of stormwater or surface drainage systems outstanding shall at no time exceed the sum of $1,000,000. No bond or part of any bond issued pursuant to this section in and for Prince George's County may be paid, appropriated, spent or in any manner applied to the construction of a storm drainage facility or system which is not included or in conformance with the current approved Capital Improvements Program of the WSSC.]

6-101.

(b) Of all of the revenue over actual cost that is derived from the charges, the WSSC shall:

(1) Retain one-half of the revenue in a contingency fund for repair, replacement, or any extraordinary expense in the maintenance and operation of the water supply[,] OR sewerage[, and drainage] systems under the control of the WSSC; and

(2) Apply one-half of the revenue to pay the bonded debt of the WSSC.

6-104.

(a) (1) To provide funds for maintaining, repairing, and operating its water supply[, sewers, and drainage] AND SEWER systems, including the overhead expense and proper depreciation allowance, together with funds for making any payment to the District of Columbia, as specified in this title, the WSSC shall make any service rate that the WSSC considers necessary.

(2) The rate:

(i) Shall be chargeable against all properties for a connection with any pipe under the WSSC's ownership;

(ii) Shall be uniform throughout the sanitary district; and

(iii) May be changed as necessary.

(3) (i) If the WSSC furnishes water to any federal, State, or other agency that is exempt from benefit charges or ad valorem taxes imposed under this article, the WSSC shall make the
