

(b) (1) Before beginning road construction work on a public roadway in the sanitary district in which [the WSSC has] IS installed a water, sewer, or [storm drainage] STORMWATER MANAGEMENT structure, a construction contractor shall notify the WSSC AND THE COUNTY about the proposed road construction work.

(2) The notice:

(i) Shall include the proposed construction schedule and information about the location of construction to accomplish the purposes of this section;

(ii) Except in emergency road repair situations, shall be given to the WSSC AND THE COUNTY at least 7 days before road construction work begins; and

(iii) In emergency road repair situations, shall be given to the WSSC AND THE COUNTY as promptly as feasible under the emergency situation.

(c) Unless permitted by the WSSC OR THE COUNTY, AS APPROPRIATE, a person may not disturb, remove, pave over, or repave over any manhole, valve, fitting, or other WSSC water[, ] OR sewer, or [storm drainage] COUNTY STORMWATER MANAGEMENT structure.

12-102.

(b) (1) The yeas, nays, and abstentions of the commissioners shall be separately taken and recorded for any action that:

(i) Authorizes, modifies, or rescinds a water[, ] OR sanitary sewerage[, or storm drainage] extension; or

(ii) Adopts or amends a water or sewer program of extensions.

(2) The WSSC shall record in the minutes:

(i) The reason for an abstention;

(ii) The name of a commissioner who votes or abstains;

(iii) A brief resume of the matters on which a vote is taken; and

(iv) Any disclosure made under § 12-103 of this title.

13-101.
