CHAPTER 760

(Senate Bill 778)

AN ACT concerning

Family and Individual Support Services Programs

FOR the purpose of clarifying that the Mental Retardation and Developmental Disabilities Administration is required to contract with private nonprofit community-based organizations for the provision of family support services in each county or region of the State; requiring the Family Support Services Programs and Individual Support Services Program to be funded and exempt from the State procurement process; requiring the Mental Retardation and Developmental Disabilities Administration to base the amount of a grant for family support services to a county or region upon the needs of the eligible families in each locality in accordance with certain data; clarifying that the Secretary of Health and Mental Hygiene is required to request budget support that is sufficient to operate the Family Support Services Program and build its capacity so that all counties of the State are served; requiring the Secretary, to the extent that funds are provided by the Governor in the State budget, to assume financial responsibility for the program
